Important information: We require a non-refundable \$35 processing fee to place your child on the waiting list. Please note that this fee does not guarantee enrollment. Space becomes available when an attending child leaves the program. Placement in any preschool program will be confirmed only after registration fees are processed and all forms are completed.

It is your responsibility to keep your information up to date. If your situation changes and you would like your name to be removed from the waitlist, please let us know. Waiting lists do not carryover from year to year. If you wish to remain on the list, another form must be completed. No additional fees will apply.

Forms and payments may be mailed in or made in person at the Cohn ECLC, or forms may be sent to ceclwaitlist@bhamjcc.org and you will receive a call for payment.

Confirmation of your placement on our waitlists will be e-mailed to you.

Registration priority is based on the following:

1. Members currently enrolled in Cohn ECLC programs
2. Members who have never attended Cohn ECLC
3. Non-members whose children are alumni of Cohn ECLC
4. Open registration for all interested families.
