Indoor Fitness Schedule

Indoor classes will take place on the Auditorium

Bring your own mat, towel and water bottle.

Open to all members.

You must register for the class in advance. If you are not registered for the class, you cannot attend. The front desk will not be able to sign members up for a class.

★ = Must Sign up for class. Limited Space. Click logo to sign up.

All instructors and participants must wear a face mask (face shields are not acceptable). The LJC will have disposable face coverings available for members.

All members must be distanced 15ft apart during class -- and we'll have that distance marked off for you!

All indoor class participants will be required to sign an agreement to comply with the safety requirements regarding masks and distancing before each class.

LJC staff members will be periodically checking to ensure compliance during the class. If a participant does not have a mask on and will not put one on during the class, the class will immediately stop for all participants.

CLASS STYLE DESCRIPTIONS AND REQUIRED EQUIPMENT

BODY PUMP OR PUMP IT UP

BodyPump is a barbell workout for anyone looking to get lean, toned, and fit – fast. Using light to moderate weights with lots of repetition, BodyPump gives you a total body workout. Instructors coach you through scientifically proven moves.

Equipment needed: Barbell with 2 of each weight size, mat, bench with 2 risers

BodyFlow

Blends yoga, tai chi and Pilates for a workout that builds flexibility and strength while leaving you centered and calm. Controlled breathing and concentration work together with a carefully structured series of stretches, moves and poses set to inspiring music.

Equipment needed: Two Yoga Mats, Position mats in a + shape

CXWORX

A revolutionary core training program that tightens and strengthens your entire core for improved functional strength, increased mobility and injury prevention. CXWORX will help you run faster, play harder and stand stronger. Set to music, this class is an intense 30 minutes.

Equipment needed: mat, band, 1 medium plate

BODYSTEP

In a BODYSTEP workout you can expect a mixture of upbeat, rhythmic stepping, with squat and lunge patterns to work the legs. Combine this with movements like burpees, push-ups and weight plate exercises, and the result is a fun, uplifting, full-body workout! Don't worry, there's heaps of options so that everyone leaves feeling successful.

Equipment needed: Step 0-2 risers, mat

BODY ATTACK

BODYATTACK™ is a high-energy fitness class with moves that cater for total beginners to total addicts. We combine athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats.

NO EQUIPMENT NEEDED

LES MILLS GRIT

A class that is scientifically proven to work with exercises that are simple to execute and easy to follow. It will push you to your limits, allow for optimal recovery and then push you even further. Les Mills GRIT takes HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you, motivating you to go harder to get fit fast.

Equipment needed: Strength-Medium to Heavy Bar or Athletic-Bench top, 2 medium plates

LES MILLS DANCE

Hip Hop, Contemporary or House... whatever your style you'll find it is packed with moves and music you'll love.

NO EQUIPMENT NEEDED

DANCE FITNESS

A mix of low-intensity and high-intensity moves for an interval style, calorie-burning dance fitness party. Dance Fitness is a total body workout combining all elements of fitness: cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome.

NO EQUIPMENT NEEDED

DANCE FITNESS GOLD

A lower intensity version of your favorite dance class perfect for active older participants and those just starting their fitness journey. Zesty Latin music and easy-to-follow moves create an invigorating, party-like atmosphere.

NO EQUIPMENT NEEDED

CYCLE

A group cycling class on stationary bikes led by an inspiring coach and set to exciting music. Challenging for both beginners to experienced exercisers.

Equipment needed: One Cycle Bike

RPM

An indoor cycling workout set to powerful music led by a high-energy, inspiring coach. Discover your inner athlete as you tackle hills, flats, mountain peaks, time trials and interval training.

Equipment needed: One Cycle Bike

VINYASA BLEND YOGA

A moderately paced vinyasa yoga class to get your heart rate up and your limbs moving. This class should leave you glistening while at the same time feeling stretched out from head to toe, centered and balanced.

Equipment needed: mat

YOGA FUSION

Yoga fusion is a trend that blends **yoga** poses with other fitness regimens, such as Pilates, strength training, dance, or even kickboxing. Pairing **yoga** with other disciplines lets you burn more calories than **yoga** alone, while still getting the benefits of this ancient practice.

Equipment needed: varies per workout, mat

MAT PILATES

Mat Pilates is classical Pilates the way Joseph Pilates created. It is good for strengthening core, flexibility and keeping the brain and spine in youthful condition.

Equipment needed: mat (or towel)

CARDIO MAT PILATES

Cardio Pilates is classical Pilates mixed with cardio bursts to get heart rate up and to strengthen core and getting a full body workout.

Equipment needed: mat (or towel) and a set of hand weights

BARRE FUSION CARDIO

offers an energetic, athletic and choreographed program that is easy to follow and enjoy. Staying true to the barre style workout without needing any ballet knowledge to join and get a great workout.

Equipment needed: small 2 to 3 lb weights & chair or back of couch to balance, if needed. Optional -playground ball or small kids ball, or any circular band

PIYO

Piyo is a music driven athletic workout inspired by yoga and Pilates that includes flexibility training, strength training, conditioning and dynamic movement. It is low impact and offers modifications and regressions for all levels.

NO EQUIPMENT NEEDED; Mat optional

AB ATTACK

Attack those abs! This workout is great for all levels of fitness. All exercises can be easily modified for beginners. We use a wide variety of challenging exercises to strengthen all the muscles of the core. This circuit workout is set to fun, upbeat music and last 30 minutes.

Equipment needed: mat (or towel) and a set of hand weights

Best Abs Ever

This is a complete 30 minute ab & core strength workout to chisel, tone & strengthen your abdominals. While doing this challenge you have the option to include our no sugar challenge to help sculpt your midsection.

Equipment needed: Body Weight

BOOT CAMP

Total body workout focused on strength and cardiovascular health!

Equipment needed: free weights, hand plates, whatever you have!

CARDIO KICK

30 minute Bodycombat inspired Tabata workout. All levels welcome!

NO EQUIPMENT NEEDED

J-HIIT

J-HIIT- High intensity bodyweight circuit training. Weekly rotating focuses, formats and music. A total of 45 minutes, including warm up and cool down.

Equipment Needed: Mat Recommended

BEGINNER YOGA

Learn about the benefits of practicing yoga including breathing and meditation techniques and how to safely and confidently develop your yoga practice. Students should be capable to go from sitting to standing several times for each class. Modifications are always available for those who need a very gentle practice. Props will be introduced and used throughout our classes.

Equipment needed: A yoga block (or two), small blanket or towel, and a yoga strap can all be used but are not necessary.

LIIT

A senior adult movement class using full range of motion while standing and/or seated in chairs.

Equipment needed: Hand weights: 3 or 5 lbs, Resistance Band, Chair for balance & seated exercises, and mat

Fitball

The perfect one-hour double workout, combining high-intensity cardio with muscle and core conditioning! Participants utilize a fit ball, or exercise ball, to engage different muscle groups and get in shape quickly

Equipment needed: Hand weights 2 light to med, a stability ball & Mat

HIIT Cardio

A full body weight only. The class is an interval training class with low & high options. It builds cardiovascular fitness while improving muscular strength and endurance. ... This class is a variety of total body conditioning that involves both strength and cardio exercise.

NO EQUIPMENT NEEDED

Total Body HIIT

Strength and Tone is a muscle building and conditioning class focusing on high repetitions and light weight. Exercises will sculpt and define arms, back, legs and glutes. Classes will also contain an intensive abdominal/core component. Class is 45 minutes long. Each class will begin with a warm up then move through complementary circuits to ensure a total body strength training session with a focus on abs as well. The major focus here is strength training and challenging the muscular endurance.

Equipment needed: Dumbbells, resistance bands, and body weight
